

TREATMENT LUMINAIRE - TRIANGO 60
TRIANGO 60 - The compact one that has what it takes

Product description:

With 60,000 lux at 1m, it is Derungs most compact treatment light and rounds out our range perfectly, without having to sacrifice quality and versatility.

Versatile in use:

It is suitable for GP practices and clinics as well as in proctology, dermatology or veterinary medicine

Variable mounting options:

On the ceiling, on the wall, mobile on the Derungs rolling stand or available as battery version

Relieves eye strain:

Special diamond cluster optics for best colour homogeneity

Hygiene made simple:

Good design dispenses with unnecessary details and places details and attaches importance to the most enclosed construction possible

Individual visual comfort:

Thanks to infinitely dimmable lighting field
