

SOFT CARE PLASTICIZED EXAMINATION SHEETS

Soft Care Premium Standard Waterproof Examination Roll 50cm x 50m - Light blue

Product description:

The Soft Care medical Examination roll, consists of a sheet of 100% pure paper pulp and a sheet of high density polyethylene (HDPE), joined with a special adhesive.

Thus, the paper face that comes into contact with the patient is characterized by high absorbency, while the waterproof PE face that comes into contact with the medical bed protects it from sweat, other leakage and moisture, ensuring a high level of hygiene in the examination process for every patient.
