

**STERILE CUSCO SPECULUM**  
**Sterile Cusco Speculum — Box of 100**

**Product description:**

The **sterile disposable Cusco speculum** with locking screw is made of high-quality crystal polystyrene, providing strength and enhanced patient comfort by eliminating the cold sensation of metal speculums. It eliminates the cleaning, disinfection, and sterilization steps of reusable models.

Equipped with an **adjustment screw** and **locking notch**, it allows precise, atraumatic opening.

- High-strength crystal polystyrene
- Latex, PVC, and phthalate-free
- Individually sterile-packed
- Available in 6 color-coded sizes
- Packed in box of 100 units
- Midwife pack: 25 XS, 25 S, 25 M, 25 L

**Available sizes:**

- XXS (15 mm, 109 mm) Purple — SPI204
- XS (20 mm, 110 mm) White — SPI205
- S (24 mm, 109 mm) Blue — SPI208
- M (26 mm, 109 mm) Red — SPI206
- L (30 mm, 112 mm) Green — SPI207
- XL (31 mm, 120 mm) Yellow — SPI209

**Why sterile Cusco speculums are essential:**

They help prevent hospital-acquired infections, maintain hygiene, and ensure patient safety in gynecological procedures like sampling, IUD placement, and treatment.

**FAQ**

**Q:** Which size to choose?
