

## EASYDROP - SHIELDED WASTE BIN

The Easydrop waste container provides safe and convenient storage of radioactive waste.

### Product description:

The Easydrop waste container provides safe and convenient storage of radioactive waste while protecting the operator from ionizing radiation.

The sliding opening of the lid enables a partial or total opening to reduce as much as possible the radiation exposure.

Built in ABS plastic, it is easily decontaminable.

Easydrop can be moved thanks to its 4 resistant casters.

- Available in size 20 L / 54 L / 80 L
