

HOOK FOR X-RAY PROTECTION SKIRT
Hook for x-ray protective leaded skirt

Product description:

- Smallest possible footprint
- Appropriate and protective storage
- Functional metal construction

Storage Systems for X-Ray Protective Clothing - A Daily Assistant

It is no problem to retrofit the hooks on the chrome hangers, even after installation of the system. However, please check that your costume skirt is provided with loops. This is not always the case for skirts from other manufacturers.
