

MRI ELECTRODES - CLEARTRACE 2 Elettrodo for MRI

Product description:

Square/Oval shape adds “staying” power to the design — up to seven days of use.
Clear Neoderm® tape allows visual monitoring of the patient’s skin condition at all times.
Neoderm® tape is waterproof yet allows moisture to escape.
Available with radiotranslucent(Cleartrace2).

50 x 50 mm
Box of 30 pieces
