

**SONY UPP-210SE - MATTE FINISH A4 THERMAL PAPER**  
**Black and white A4 thermal paper for Sony medical printers**

**Product description:**

The **Sony UPP-210SE** is a **black and white A4 thermal paper** with a **matte finish**, designed for **medical imaging applications**, particularly for **orthopedic imaging** such as **C-arm systems**.

The matte surface helps **reduce reflections** on printed images, improving readability of medical details. This standard thermal paper is suitable for regular use in clinical environments.

Each roll measures **210 mm in width** and **25 m in length** (A4 format) and allows approximately **139 prints per roll**.

**Features**

- Black and white thermal paper with matte finish
- Reduced reflections for improved image readability
- A4 format: 210 mm × 25 m per roll
- Approx. 139 prints per roll
- Moisture-resistant prints for long-term preservation
- Packaging: box of 5 rolls

**Printer compatibility**

- Sony UP-970AD
- Sony UP-971AD
- Sony UP-990AD
- Sony UP-991AD

**Applications**

- Orthopedic imaging
- C-arm imaging applications

- Black and white medical imaging
