

GONAD PROTECTOR P-GO MODEL

Of approximately triangular shape, adapted to the male and female human morphology, two sides of this triangle are slightly rounded to allow a good positioning between the thighs and on the lower abdomen.

Product description:

Support on the patient is achieved by a narrow strap fitted with a quick-release buckle for "adult" and "teen" sizes and by radiolucent tape for other sizes.

Easy-to-clean PVC coating on both sides, color of your choice.

Equivalent protection: 1 mm Pb.
