

LOCKABLE UTILITY TROLLEY MRI compatible up to 7 tesla

Product description:

The MRI compatible Lockable Utility Trolley with 6 Drawers is constructed in aluminium, has six plastic drawers and a three sided top shelf. The clear faced hinged door is lockable. It is mobilised on four 52mm castors, two of which are braked. It has an accessory rail on each side of the cabinet. It comes complete with an IV pole, an E size oxygen cylinder holder and rail fixing clamps.

This cabinet is powder coated and can be finished in any RAL Colour.
