## Product description:

**CD-R 700MB|80min 52x speed, inkjet fullsurface printable, Cake 100**

MediaRange CD-R storage media are suitable for quickly and efficiently archiving your data. The excellent recording stability allows your data to be saved in just a few minutes with writing speeds of up to 52x. The superb compatibility with CD burners and players ensures that you can access your medical images, personal photos, documents, music, videos and backups anywhere and at any time. Our entire range of storage media are known for their long archival life and excellent UV light resistance. The full-surface printable discs can be used with all inkjet printers that have a CD print function. Give your media an individual and professional design just the way you want.
